- >> Go paperless
- >> Incorporate technology in the classroom
- >> Answer keys to all activities are included

# What you'll get!

After purchasing this packet, you will receive a Google Drive link to a Google slides presentation. You will be prompted to make a copy of the Google slides presentation. You can then organize the file in your Google Drive folder and share the file in the Google Classroom with your students.

Each packet has an editable portion that allows the students to directly type into the slides. We have placed text placeholders so that all the students need to do is start typing!
