A worksheet template for a field trip. It features a header with a blue box labeled "Type here" and a line for "Name:". Below this is a section with horizontal lines and a dashed midline, labeled "Type your own instructions here to customize!". At the bottom, there is a large rectangular box labeled "Draw a picture showing what your favorite part was." with a small cartoon character in the corner.

A second worksheet template, identical to the first one, showing the "Name:" field, the "Type your own instructions here to customize!" section, and the "Draw a picture showing what your favorite part was." section with a cartoon character.

Customizable  
templates  
are included  
as well!

## MY TRIP TO THE PUMPKIN FARM

My favorite part about going to the Pumpkin Farm was...  
riding on the tractor to pick out my very own pumpkin. I picked out a big lumpy pumpkin. It was so fun seeing all of my friends pick out pumpkins too! I hope we go again next year!
