

LAND VEHICLES

Build it with shapes and solve

LAND VEHICLES

Build it with shapes and solve

LAND VEHICLES

Build it with shapes and solve

Build It With Shapes

Build the picture with pattern blocks. Trace the word. Count the shapes and write the number in the blank.

Solve The Equations

Plug in the numbers to the equations and solve.

Build It And Solve It!

 **bus** Name: _____

Directions: Build the bus. Fill in the numbers in the equations and solve.

$3 + 2 = 5$ $\triangle + \square = \underline{\quad}$

$\square + \triangle = \underline{\quad}$ $\triangle + \square = \underline{\quad}$

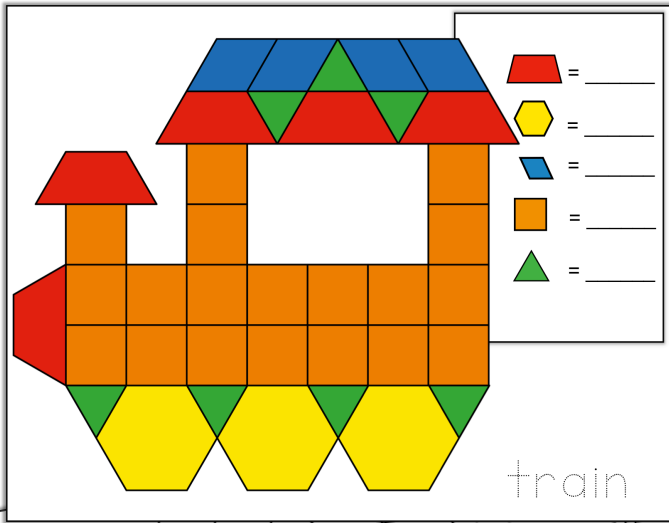

$\square + \square = \underline{\quad}$ $\square + \square = \underline{\quad}$

$\square + \square = \underline{\quad}$ $\square + \triangle = \underline{\quad}$

$\square - \square = \underline{\quad}$ $\square - \square = \underline{\quad}$
