## JUST ADD ERASERS!

MINI-RACERS
How to play

Objective: Move all of your mini-erasers to the end of the game board.

2-4 Players per game board: Each player chooses 3 matching erasers for their game pieces.

To Play: The youngest player goes first. They move one of their erasers to a square in the first row. Each player must say the answer in the square to finish their move. If they cannot say the answer they go back to the original square and wait for their next turn. Players can move forward, sideways, diagonal, and backwards. However, a player cannot move their piece on a square that is already covered. The game continues until all of the players have moved their erasers to the 'finish line'.

Skill is labeled here on each Mini-Racer mat.
