

12 MATH AND ELA

MINI ERASER GAMES

Skill: Noun Sort

Take turns with your partner. Move your eraser one space as you read each noun and say if it's a person, place, or thing. Don't stop until all of your erasers have crossed the finish line.

How to play:

The youngest player goes first. They move one of their erasers to a square in the first row. Each player must say the answer in the square to finish their move. If they cannot say the answer they go back to the original square and wait for their next turn. Players can move forward, sideways, diagonal, and backwards. However, a player cannot move their piece on a square that is already covered. The game continues until all of the players have moved their erasers to the 'finish line'.
