

MOVE AND READ

Standard: Children discriminate among the sounds of spoken language.

Directions: The teacher reads the sentence, slowing down so that each word is easily understood. For each word, the students do the physical action shown in the corner.

WORD DISCRIMINATION

Each sentence is flashed on the screen. The teacher reads the sentence, slowing down so that each word is understood.

For each word, the students do the physical action that is shown in the corner.

Includes 10 sets, each with 10 sentences, that contain one-syllable words
